HR
Limit Break
China

I am writing to express my interest in **Unity UI Engineer (Singpore/Taiwan)(Remote)** Position available at LimitBreak.

My Traits

- **Highly disciplined** individual with a strong desire to create and develop games
- **7 years** in **Game Development** Experience
- **9 Years** of **Software Development Experience**
- **4 Years** of **Team Lead Experience**
- Excellent **Communication** and **Inter-Personnel skills**
- Worked with multiple **USA based tech companies**.
- Experience in Deploying Builds to Google Play Store, App Store, Web Servers, Standalone PC

I am excited about the opportunity available at the company to apply my skills and knowledge to a professional setting and to contribute towards the success of the **Limit Break**.

Throughout my career, I have created and used a strong base in Development and Coding Skills, including proficiency in **C#, Unity** along with a strong sense of leadership to guide my peers and share valuable knowledge with them**.** My formal education is a Master's Degree in Computer Applications

I am very detail oriented and like to have a broader understanding of the whole project and how everything fits within the framework. Some of my roles and responsibilities at my previous posts:

- Designed and Implemented Core Engine for Casino using **MVC** architecture topping up with **Event Notification System** along with **Dependency Injection** patterns solving complex **Design and Architectural Problems**
- Created custom **Build Delivery system** ensuring builds get deployed to their respective platforms and to correct URL's separating dev, test and production systems
- Managed and mentor a team of developers depicting **Technical Leadership** and **Communication Skills**
- Providing builds for testing as well as production as asked by the client showing punctuality and **deadline driven work**

I am confident that my experience, skills and desire to solve problems and involve deeply professionally would make me a valuable asset to your team.

Thank you for considering my application

Sincerely,
Balpreet Singh
